Waterford Sets 2015 Trick-or-Treat Suggested Hours

Waterford's 2015 Halloween suggested trick-or-treat hours will be from 6pm-7pm on Saturday, October 31st. Residents who wish to hand out Halloween treats will traditionally leave their porch light on during this hour as a signal to let trick-or-treaters know they are taking part in the festivities. The men and women of the Waterford Police Department also invite children and their parents to bring their candy to the police station for inspection from 7:30-9:30pm at 5150 Civic Center Dr.

The Center for Disease Control offers these tips to help ensure a healthy and safe holiday:

- Avoid trick-or-treating alone. Walk in groups or with a trusted adult.
- Fasten reflective tape to costumes and bags to help drivers see you.
- Examine all treats for choking hazards and tampering before eating them. Limit the amount of treats you eat.
- Hold a flashlight while trick-or-treating to help you see and others see you. Always WALK and don't run from house to house.
- Look both ways before crossing the street. Use established crosswalks wherever possible.
- Only walk on sidewalks whenever possible, or on the far edge of the road facing traffic to stay safe.
- Wear well-fitting masks, costumes, and shoes to avoid blocked vision, trips, and falls.
- Eat only factory-wrapped treats. Avoid eating homemade treats made by strangers. Have parents and/or the police department inspect treats before consuming.
- Enter homes only if you're with a trusted adult. Only visit well-lit houses. Don't stop at dark houses. Never accept rides from strangers.
- Never walk near lit candles or luminaries. Be sure to wear flame-resistant cos-

Waterford Lakes Association to Meet October 21st

Representatives from several of Waterford's Lake Boards and Associations have joined forces to create an inclusive Waterford Lakes Association. Because of the unique opportunities and challenges that come with riparian ownership, creation of a Waterford Lakes Association allows residents who live on and use waterways to share ideas, learn from each other and be a bigger voice if any major issues arise.

The Waterford Lakes Association's next meeting will be held on October 21, 2015 at Township Hall in the auditorium from 6-7pm.

If you would like to serve as representative for your lake, please send name, address, email address, phone number and the lake you wish to represent to Waterford Township Supervisor Gary Wall gwall@waterfordmi.gov 248-674-6201 and plan to attend the October meeting.

Waterford Township launched a new website September 22nd at www.waterfordmi.gov. The new site offers easier navigation, mobile-friendly viewing, self-service options and great new interactive features including:

Alert Center: The Alert Center allows us to notify residents when there's a situation going on in the community that could require your immediate attention. Typical Alerts include notification about water main breaks, short-term road closures or unanticipated closings of Township offices or facilities due to unsafe weather conditions. When an Alert has been issued, a notification will appear at the top of the Township web site. www.waterfordmi.gov/alertcenter.aspx

NotifyMe: Stay up-to-date on what's going on in the Township and the various Township departments and services through e-mail and text notification messages. www.waterfordmi.gov/list.aspx

Online Maps: The online mapping system allows you to view and interact with maps and data related to property information, lakes and parks in Waterford Township.

Report a Concern: Have a problem that you want to report to the Township? The Citizen Request Tracker allows you to report a problem and track the status of the problem as it's being reviewed and addressed by Township staff. There's also a form for reporting Streetlight outages. Questions and concerns can also be reported using our Online Comment form. www.waterfordmi.gov/requesttracker.aspx

Waterford Business Registration Now Available Online

On August 11, 2014 the Waterford Township Board of Trustees adopted an ordinance requiring all businesses to register with the Township. The purpose of this ordinance is to create a database that is readily accessible for first responders in the event of fires or other emergencies. The registration form asks for contact information and a list of any hazardous materials that are stored on the premises.

Over the past months the IT Department has worked closely with the Clerk's Office to create software to handle these registrations. We are now prepared to accept registrations online at: www.waterfordmi.gov/clerk. Hard copies are available at the Clerk's Office during regular business hours.

The registration fee is set at \$10.00 and is a one-time only fee. All Waterford businesses are asked to complete their online registration and mail in the registration fee no later than December 31, 2015.
